

Skin

Diamond Dermabrasion £40.00 **45 mins**

A fine diamond head is massaged over the skin with vacuum to remove dead skin cells and refine the skin. An effective abrasion is achieved resulting in quicker cell renewal & a more youthful, clearer appearance. DM is a medically approved skin rejuvenation treatment for ageing skin, thickened skin, dry skin, stretch marks, skin discolouration and fine lines & wrinkles and from the very first treatment your skin becomes softer and more radiant. With each treatment creates a new & natural stimulation to improve cellular regeneration.

Diamond Dermabrasion is available for all areas of the body & is by quotation at consultation.

Bio Micro Current Facial £35.00 **45 mins**

A small current lifts & tightens the skin. This procedure is none evasive & gives a fresh & younger looking appearance.

Each customer will now have their own personalised towels.

A small contribution of 25p per towel will be charged to help with this growing concern.

Skin

Skin Consultation

From	£15.00
------	---------------

15 mins

A consultation is essential to determine your type of skin and what your main concerns are. It's essential you get the right product for your skin type while good advice helps immensely.

Eyes Only

From	£25.00
------	---------------

30 mins

This up lifting and rejuvenating eye treatment with massage is designed to treat the delicate eye area.

La Capsule Facial

From	£35.00
------	---------------

45 mins
A natural and intensive treatment with a long and lasting effect. La Capsule and La Capsule Beaute helps significantly reduce the appearance of fine lines & wrinkles giving the complexion a firmer, tighter, and more radiant appearance. A luxurious pampering massage assists in normalising the skins moisture & minimising the feeling of tightness. Your skin will feel moisturised and nourished resulting in a beautiful complexion.

Dermosthetique Facial Advanced

From	£35.00
------	---------------

30 mins
Designed for the busy individual to address immediate concerns. This intense facial firms the skin at cellular level. Therapy Anti Rides freezes the nerves of the muscle reducing the formation of fine lines and wrinkles. Dermosthetique stimulates cells, replenishes moisture & protects from free radicals. With the use of a cosmetic dermo roller your skin will look radiant after just one treatment.

Angels Touch Deluxe Facial

From	£45.00
------	---------------

1 hour
Indulge in the Angels Touch Deluxe Facial by La Biosthetique which is tailored to your specific needs. Start with a cleanse, tone and mask peeling to thoroughly cleanse the skin, then a hot towel treatment with Visaromes. Masque Mer Et Beaute is followed to revitalise your skin & boost the blood flow to plump up the collagen. Whilst the mask is setting, enjoy a relaxing hand and arm massage. Angels touch brushes are then used for lymphatic drainage, then a relaxing massage to finish. Please be aware this facial is very addictive.

Masque Mer Et Beaute

From	£35.00
------	---------------

45 mins
Start with a cleanse & tone, mask peeling & Visarome Atone with hot towels. Masque Mer Et Beaute is followed to revitalise your skin and boost the blood flow to plump up the collagen. Whilst the mask is setting, enjoy a relaxing hand and arm massage.
